

All Aboard the LearningExpress!

LearningExpress Library Complete is an online gold mine of practice tests, interactive tutorials, microlessons, e-books, articles and more that can help you stay on track with your goals.

Next stop: **Success!**

Ready to get started?

These platforms are available to libraries thanks to funding provided by the State of California, administered by the California State Library.

Also, check out **Job & Career Accelerator** for everything you need to explore careers, find open positions, apply for jobs and get hired!
